AKAI FM Transmitter for Car  
**FMT-938T**  
FM TRANSMITTER

**EN-ENGLISH**

**NOTE:** This device is not a Bluetooth™ transmitter. It does not connect wirelessly and does not send data from your Bluetooth device over an FM radio link. The built-in microphone is designed to be used with the device. It is not intended for use as a mobile phone. The built-in microphone is designed to be used with the device. It is not intended for use as a mobile phone. The built-in microphone is designed to be used with the device. It is not intended for use as a mobile phone.

**Features:**

- Auto scan
- Auto lock

**Specifications:**

- Frequency Range: 87.5-108.0MHz
- Frequency Accuracy: ±0.01MHz
- Modulation: FM (FM Stereo)
- Carrier Power: 10W (100mW)
- Carrier Frequency: 108.0MHz
- Carrier Modulation: FM (FM Stereo)
- Carrier Frequency: 108.0MHz
- Carrier Modulation: FM (FM Stereo)

**Dimensions:**

- Size: 118.5 x 55.5 x 25.5mm
- Weight: 100g

**Operation:**

This device can be operated in a hands-free mode with any compatible Bluetooth™ or higher standard device.

**Buttons:**

1. Power button
2. Volume up/down
3. Call button
4. Call button
5. Call button
