

# WINDFORCE

## 215/60R17 100V XL CATCHFORS A/S

The image shows a standard European energy label for tires, enclosed in a dashed blue border. At the top left is the European Union flag. To its right is the word "ENERGY" in blue, followed by a lightning bolt icon. A QR code is located at the top right. Below this, the brand name "WINDFORCE" is on the left and the model "WI1378H1" is on the right. The tire size "215/60R17 100 V" is on the left and the class "C1" is on the right. The label is divided into three horizontal sections. The top section shows a tire icon with a fuel pump icon on the left and a tire icon with a rain cloud icon on the right. Below these are two sets of energy efficiency scales from A (green) to E (red). The left set has a black arrow pointing to 'D', and the right set has a black arrow pointing to 'B'. The middle section shows a tire icon with a speaker icon and "72 dB" next to it, with a black arrow pointing to 'ABC' below. To the right is a triangle icon with a snowflake inside. The date "2020/740" is printed vertically on the right side.
