### General product parameters

| Parameter                         | Value  | Parameter   | Value |
|-----------------------------------|--------|---|-------|
| Annual energy consumption (kWh/a) | 528,16 | Recommended temperature setting for optimised food storage (°C) | -18   |
| EEl                               | 33,5   |   |       |
| Energy efficiency class           | C      |   |       |

## Light source parameters

|                           |                                |      |
|---------------------------|--------------------------------|------|
| Type of light source n.a. | Lighting technology used       | n.a. |
|                           | Non-directional or directional | n.a. |
|                           | Mains or non-mains             | n.a. |
|                           | Connected light source (CLS)   | n.a. |
|                           | Colour-tuneable light source   | n.a. |
|                           | Envelope                       | n.a. |
|                           | High luminance light source    | n.a. |
|                           | Anti-glare shield              | n.a. |
|                           | Dimmable                       | n.a. |
|                           | Energy efficiency class        | n.a. |
