# **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

## Supplier's name or trade mark: Beko

Supplier's address: Arctic Eprel Support, 13 DECEMBRIE, 210 135200 Gaesti Romania

### Model identifier: BCSA285K3SFN

#### Type of refrigerating appliance:

| Low-noise appliance:    | No | Design type:                   | built-in |
|-------------------------|----|--------------------------------|----------|
| Wine storage appliance: | No | Other refrigerating appliance: | Yes      |

### **General product parameters:**

| Parameter                                                                                    |        | Value | Parameter                                                                                    | Value                           |
|----------------------------------------------------------------------------------------------|--------|-------|----------------------------------------------------------------------------------------------|---------------------------------|
| Overal dimensions<br>(millimetre)                                                            | Height | 1 775 |                                                                                              | 271                             |
|                                                                                              | Width  | 540   | Total volume (dm <sup>3</sup> or l)                                                          |                                 |
|                                                                                              | Depth  | 545   |                                                                                              |                                 |
| EEI                                                                                          |        | 124   | Energy efficiency class                                                                      | F                               |
| Airborne acoustical noise<br>emissions (dB(A) re 1 pW)                                       |        | 37    | Airborne acoustical noise<br>emission class                                                  | С                               |
| Annual energy consumption<br>(kWh/a)                                                         |        | 281   | Climate class:                                                                               | extended temperate, subtropical |
| Minimum ambient<br>temperature (ºC), for which<br>the refrigerating appliance is<br>suitable |        | 10    | Maximum ambient<br>temperature (°C), for<br>which the refrigerating<br>appliance is suitable | 38                              |
| Winter setting                                                                               |        | No    |                                                                                              |                                 |

#### **Compartment Parameters:**

|                  |    | Compartment parameters and values            |                                                                                                                 |                                  |                                                          |
